Queen Phyllis accepts the crown and bouquet from the retiring Queen, Retta Noble.

Queen Phyllis, and her court enjoyed the first dry Homecoming at Highland.

Homecoming Is People . . .

Traditionally the Football Homecoming Queen is a Senior. Each Attendant represents a class. Attendants this year are Seniors: Pat Patrick, and Belinda White; Junior: Terri House; Sophomore: Linda Fisher; Freshman: Sheila Noble; Crown Bearer: Connie Young; Football Bearer: David Ray.

Our 1968-69 Homecoming was people--the team, the band, cheerleaders, alumni, and the Football crowd.

Queen Phyllis is the daughter of Mr. and Mrs. Edwin Dial of Route 2, Mt. Vernon, Ohio. Phyllis is co-editor of the Annual Staff, active in G.A.A., and is also a member of the Honor Society. This past summer Phyllis had the honor of attending Buckeye Girls State.

Stairway to the Stars

Each of us shed our winter shell and reached for a star as we danced and dreamed to the strains of the orchestra on a lovely evening in May.

Formals, Tux, High-fashioned Coiffures, Bow Ties, Heels, and of course, Cupid, made the scene just perfect. Suspense was also present as the favorite Senior Boy and Girl were selected and presented gifts.

A romantic, superb evening passed all too quickly as we traveled the Stairway To The Stars in ecstatic enjoyment.

The 1968 Tri-captains
Jack Martin, Gareth Higgins, Ron Young.

The weather was hot when the season started making it difficult for players and fans alike. Then along with the weather the "Scotts" were plagued with injuries, centering around the Seniors.

After dropping the first game with Fredericktown 48 to 10, the "Scotties" defeated Olentangy 28--0. Then after 4 setbacks the "fighting Scotts" delivered a blast to Cardington 34 to 22.

The next game was with our toughest rival, Marion Catholic. It was hard fought all the way with the score tied several times; then with an extra burst of effort, the Irish won 54--32.

The final game of the season set a high scoring record for the school with 65 points to Ridgemount's 16. This was the game in which the "Scotts" could do no wrong.

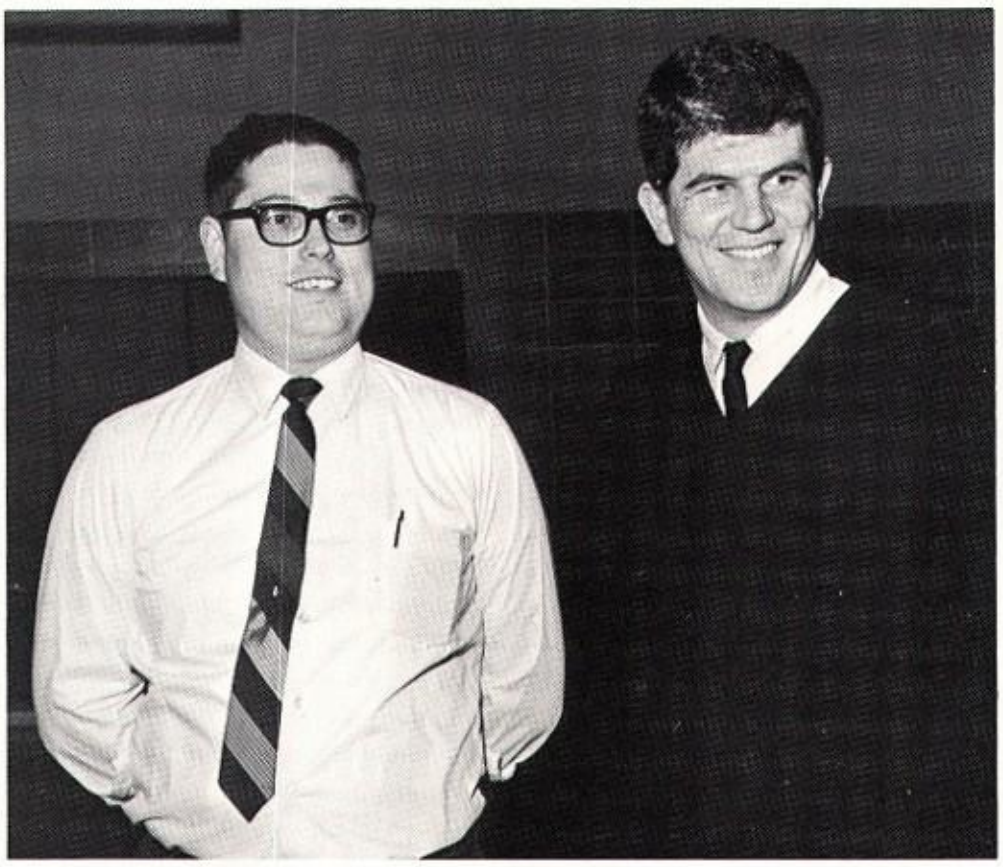
Basketball
The '68-'69 Fighting Scotts



Head Coach, Gary Vaughn; Assistant Coach, Marshall Glenn.

The fighting Scotts started the 68-69 season with a bang, defeating Danvill 57 to 47. Then after several setbacks, Highland rendered Big Walnut its first League loss, setting them out of first place contention. Midway Scotts were battling hard for 2nd place in the Mid-Ohio defeating Cardington in a hard fought Conference battle. With only one returning letterman from the 1967-68 season, the "Scotties" gained much experience and sportsmanship though the record was 4 and 15.

The 1969 Baseball Team

This year turned out to be one of Highland's best baseball seasons, blazing a record of 9--9. The high point of the season was the defeat of Buckeye Valley, one of the top teams in the league 3 to 2. The team was the youngest in the Mid-Ohio losing only 3 seniors. The future of next years team looks very promising.

The Big "V"

The Young men good enough to participate in a sport and receive a varsity letter are automatically members of the Letterman's Varsity Club. This is an honor most boys only dream of, but the young men in this group all proved that they are the tops in their field.

One of the club's projects is to handle the coat check at basketball games. Another is the annual bonfire before the Homecoming game.

Most important of all the projects though is to strengthen the characters of its members.

The Yearbook Staff carries out a three-fold program.

Each fall, an advertising sales campaign editor rallies the Seniors to sell space to our friendly merchants. We are grateful for the support from our patrons. This helps immensely in financing the book.

The second phase is the Book-Subscription sales to complete the payments for production. Again we rely upon the Seniors as this is an all-class function.

Third, but not the least, comes the planning of the book, arranging for photographers to take pictures, making dummy layouts, writing copy, editing and correcting the final pages, then mailing the pages to the printer.

We hope you like the 1969 Edition.

BUSINESS OFFICE EDUCATION Students and teachers help in the production of the Tele-Scot--(Our school paper).

These students work and study in a four-hour block of time on skills, subject-matter, and attitudes. The content of the material varies in order to try to meet the needs of the individual student and to aid him in the development of his own personal talents.

The program is aimed at training the student for a stenographic, or a clerical job after graduation.

Many representatives from different companies come to talk about job requirements and opportunities.

Field trips to industrial plant offices and to individual-type offices are made each semester in order to acquaint students with actual procedures.

The Senior Class activities started with the thrill of receiving our class rings and ordering our pictures.

Homecoming decorations and the ceremonies were our responsibility as well as crowning a Queen and choosing a Court.

Along came the agonies of Senior Health Shots, Yearbook Ads, and Exams.

Days flew by packed with study and involvement with Basketball, Senior Play Rehearsals, Cap and Gown Measurements, and finally, (oh the ecstasy!) the practice and preparation for Graduation Day.

We did find, however, that parting with old friends, truly is sweet sorrow.
